

Part Four

The **Seven Dwarfs** found Snow White **dead on the floor**. In her honor, they made her a **glass coffin** and placed it **on top of a mountain**.

One day, a young **Prince** stopped to see her. And he **fell in love with** Snow White. With a **kiss**, she came back to a **new life** with her Prince.

Snow White and the **Prince** had a **big wedding**. Everyone was **invited** to the **celebration**. Even the **wicked Queen**! And that night, when the Queen **saw** Snow White, she **choked** with envy and hate. And she **fell dead to the floor**. The Prince and the Princess **lived happily ever after...**

THE END

Back at the Palace, the **Queen** ran to her **magic mirror**:

*"Mirror, mirror on the wall,
Who's the fairest of all?"*

The **mirror** answered:

*"You, my Queen! You are!
You are the most beautiful of all."*

The **wicked Queen** was **happy** now because the **magic mirror** never lied.
